STATEMENT OF RETRACTION

28 August 2012

The Editorial Board of the journal *TRANSPORT* apologize for the paper '*Modelling of freight flows that consist of multiple products transported by different modes of transport in a multimodal network*' produced by *Aidas Vasilis Vasiliauskas* and published in *TRANSPORT*, 2002, 17(5): 194–200, which upon a thorough investigation has been determined as nearly identical to the paper '*A multimode multiproduct network assignment model for strategic planning of freight flows*' written by *Jacques Guélat*, *Michael Florian* and *Teodor Gabriel Crainic* and published in *TRANSPORTATION SCIENCE*, 1990, 24(1): 25–39 (<http://dx.doi.org/10.1287/trsc.24.1.25>).

As a result the paper produced by *Aidas Vasilis Vasiliauskas* and published in *Transport* has been retracted and should not be cited.
